**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been using Sonic to stream all my tv content for 2 years.

I am extremely happy with the service they provide. As an ex Comcast user and ex ATT user, I know good service when I get it and I am finally getting it.

That is why these big services are afraid of the little guys. I guess its easier to just get rid of them than provide good service. We depend on you to keep a level playing field. Please be aware of the consequences of your actions. Do not do anything that would impact the services or the competition which these small companies provide.
